

WASAFE

Washington State Safety Assessment Facility Evaluators

WAsafe is a program to train, enroll and dispatch volunteers to perform post-disaster building safety assessments. These volunteers can assist city and county building officials whose workload, following a disaster such as an earthquake, flood, or catastrophic storm, is expected to be overwhelming.

There will be a pressing need to evaluate homes, businesses and shelters to confirm they are safe to occupy after a large disaster. Local governmental building officials will need additional labor resources to perform thousands of assessments on partially or significantly damaged buildings.

Volunteers will be deployed under Washington State’s Good Samaritan Laws (RCW 38.52.180 - Immunity from liability for covered volunteers).

***WAsafe is a resource for
Emergency Managers
performing post-disaster
building safety assessments***

OBJECTIVES

- Assist building officials with building safety assessments following a disaster (earthquake, flood, storm)
- Develop a group of qualified volunteer evaluators
- Provide WAsafe volunteer evaluator training
- Maintain registry of volunteer evaluators
- Assist WA State EMD in calling up and dispatching volunteer evaluators

COALITION

The WAsafe program was developed by a coalition of four statewide non-governmental organizations and the Washington State Department of Health (DOH), in conjunction with the Washington State Emergency Management Division.

- Washington Association of Building Officials (WABO)
- Structural Engineers Association of Washington (SEAW)
- American Institute of Architects, Washington Council (AIA-WA)
- American Society of Civil Engineers, Seattle Section (ASCE)

The database of volunteers is established and maintained on the DOH WAserv system.

CONTACT

For additional information or to contact us, visit the WAsafe Coalition webpage at www.wasafecoalition.org or by using the QR code above.

HOW TO ENROLL AS A WASAFE VOLUNTEER

OVERVIEW

WAsafe's purpose is to train, enroll, manage, and dispatch volunteer emergency workers to perform post-disaster building safety assessments. Volunteers enroll on the WAserv website.

WASAFE REGISTRATION

1. Navigate to <https://waserv.org>
2. Click **REGISTER**

3. PERSONAL INFORMATION

3.1. Name

3.1.1. First and Last Name

3.2. Address (We will mail your WAsafe ID Badge here)

3.2.1. Street including Suite or Apt # (If Applicable)

6.2. Select + ADD OCCUPATION (Optional)

6.2.1. Follow steps in 6.1 – Select + **ADD OCCUPATION** to add up to three (3) additional current/previous occupations/experience.

6.3. Click NEXT to continue

The screenshot shows the 'Occupations' step of a registration form. At the top, a progress bar indicates the following steps: Personal Info, Identification, Contact Details, Occupations (current step), Organizations, and Consent. Below the progress bar, the heading 'Occupations' is followed by the instruction: 'Enter up to 4 occupations that you have current or previous experience performing. If you have multiple occupations, indicate the priority in which you want them considered.' A box labeled 'Occupations' contains a '+ ADD OCCUPATION' button and a list of one occupation: 'BUILDING OFFICIAL (CBO) -ICC NON-MEDICAL/SUPPORT'. Below the form is a large illustration of a diverse group of six people (three men and three women) in various professional attire, standing in front of a city skyline with a paper airplane flying above. At the bottom of the form, there are 'BACK' and 'NEXT' buttons. A red arrow points to the 'NEXT' button.

7. ORGANIZATIONS

7.1. Select + ADD ORGANIZATIONS

The screenshot shows the 'Organizations' step of a registration form. At the top, a progress bar indicates the following steps: Personal Info, Identification, Contact Details, Occupations, Organizations (current step), and Consent. Below the progress bar, the heading 'Organizations' is followed by the text 'No organization selected.' and a '+ ADD ORGANIZATIONS' button. A red arrow points to the '+ ADD ORGANIZATIONS' button. Below the form is a large illustration of a diverse group of six people (three men and three women) in various professional attire, standing in front of a city skyline with a paper airplane flying above. At the bottom of the form, there are 'BACK' and 'NEXT' buttons.

7.1.1. You will be redirected to the **SELECT ORGANIZATIONS** page

7.1.1.1. Click the down arrow next to **“WASHINGTON STATE LEVEL ORGANIZATIONS”** to expand.

7.1.1.2. Click the down arrow next to **“4 – WASHINGTON STATE PROFESSIONAL ASSOCIATIONS”** to expand.

7.1.1.3. Click the down arrow next to **“A – WASAFE”** to expand.

7.1.1.4. Click the arrow next to the organization you hold a membership with to expand. **NOTE:** If you do not have a membership with a listed organization then click the arrow next to “A5 – Other” to expand.

The screenshot shows the 'Select Organizations' interface. At the top, there is a search bar and a 'CANCEL' button. Below is a list of organizations, categorized by level. The 'Washington State Professional Associations' category is expanded, showing sub-categories: '1 - Counties', '2 - Tribal Nations', '3 - State Level Agencies', and '4 - Washington State Professional Associations'. Under '4 - Washington State Professional Associations', there is a sub-category 'A - WAsafe' which is expanded to show five options: 'A1 - WA Association of Building Officials (WABO)', 'A2 - Structural Engineers Association of WA (SEAW)', 'A3 - American Institute of Architects (AIA)', 'A4 - American Society of Civil Engineers (ASCE)', and 'A5 - Other'. Each of these five options has a downward-pointing arrow next to it, which is circled in red.

7.1.1.5. Click **SELECT** next to the applicable Responder Type (**SELECT** will change to **DESELECT**). See next page for WAsafe BSE Types and Qualifications.

This screenshot shows the same 'Select Organizations' interface as above, but with the 'A1 - WA Association of Building Officials (WABO)' option expanded. Under 'A1 - WA Association of Building Officials (WABO)', there are five sub-options: 'WABO Type 1', 'WABO Type 2', 'WABO Type 3', 'WABO Type 4', and 'WABO Type 5 - Other'. To the right of each of these sub-options is a blue 'SELECT' button, which is circled in red.

WASAFE BSE TYPES AND QUALIFICATIONS

HOW TO USE THIS TABLE

- The anticipated duties and limitations for volunteers are intended as guidelines. Actual assignments may vary, depending on the event, personnel, and the needs of the Authority Having Jurisdiction (AHJ). The AHJ is usually the local building official.
- When enrolling in WAsafe, BSEs request a Type designation based on their minimum qualifications and their comfort level in performing the evaluations for the given Type. If you are not qualified for any of Types 1 through 4, enroll as “Type 5.”

BSE Type	Anticipated Duties / Limitations	Minimum Qualifications
1¹	Structural evaluation only: all buildings, including multi-family and commercial buildings over 5 stories and buildings with complex structural systems	<ul style="list-style-type: none"> • Registered structural engineer or civil engineer with structural specialty • WAsafe BSE training class⁵
2^{3, 4}	a. Non-structural evaluation ² : all single family residential, multi-family and commercial buildings b. Structural evaluation: single family residential, multi-family and commercial buildings up to 5 stories with non-complex structural systems	<ul style="list-style-type: none"> • Certified Building Plans Examiner, Commercial Building Inspector, or Building Official; Registered Architect or Registered Engineer • WAsafe BSE training class⁵
3	Wood-framed single family residential, multi-family and commercial buildings up to 3 stories	<ul style="list-style-type: none"> • Certified Residential Building Plans Examiner or Residential Building Inspector • WAsafe BSE training class⁵
4	Single family residential buildings and associated accessory structures	<ul style="list-style-type: none"> • Any ICC Certification • WAsafe BSE training class⁵
5	As assigned by Building Official or Incident Command	<ul style="list-style-type: none"> • EITs, unlicensed architects, permit technicians • Relevant experience • WAsafe BSE training class⁵

NOTES:

1. Type 1 BSEs can also perform structural evaluations for all Types, and non-structural evaluations for Types 3 and 4.
2. Type 2 includes non-structural evaluations such as habitability and egress.
3. Type 2 Engineers can only perform structural evaluations unless specifically qualified to perform complex non-structural evaluations.
4. Type 2 BSEs can also perform structural and non-structural evaluations for Types 3 and 4.
5. In lieu of a WAsafe BSE training class, Cal OES SAP Evaluator (2023 or earlier), OrSAP Evaluator, ATC 20, or a combined ATC 20/45 training will be accepted for first-time enrollment in WAsafe, provided the BSE also passes a WAsafe-specific training module. All trainings are valid for 5 years after the training date. Taking the WAsafe Refresher or WAsafe BSE training are required for renewing WAsafe registration.

8.2. Correct Information

8.3. I'm not a robot

8.4. Click **SUBMIT** to continue

The screenshot shows a registration form titled "Registration form" with a "CANCEL" link in the top right. A progress bar at the top indicates the following steps: Personal Info, Identification, Contact Details, Occupations, Organizations, and Consent (the current step). The "Consent" section contains two required checkboxes: "Terms of Service (Required)" and "Correct Information (Required)". Below these are two paragraphs of text explaining the consent process. A CAPTCHA "I'm not a robot" checkbox is also present. At the bottom, there is a "BACK" button on the left and a "SUBMIT" button on the right, which is highlighted with a red arrow pointing to it.

9. REGISTRATION CONFIRMATION

9.1. Click **OK** to continue

The screenshot shows the registration confirmation page, which is a greyed-out version of the consent page. A white modal box is centered on the screen with the following text: "Your registration was submitted successfully. An email will be sent to you to activate your account. If your organization uses Single Sign On (SSO) to access Juvare solutions with one password, you do not need to activate your account." Below the text is an "OK" button, which is highlighted with a red arrow pointing to it. The "BACK" and "SUBMIT" buttons are visible at the bottom of the page.

10. WASAFE REGISTRATION (CONTINUED)

10.1. Navigate to your email used in **Section 5.1 – EMAIL ADDRESS** (Primary Email (This will be your login))

10.2. Find email from **no-reply@login.juvare.com** (Check SPAM/JUNK folder if not in INBOX)

10.3. Follow instructions in email to set password

A Juvare account has been created for you with the email address:

Applications Assigned: Juvare Ideas, WAserv Washington State Emergency Registry of Volunteers

To login to your account you must create a password in the password reset screen, please complete these steps:

[Click Here](#)

1. Click the "Click Here" button above.
2. On the "Sign in" screen, enter your email address, and click "Next".
3. On the "Verify with your password" screen, click "Forgot password?".
4. On the "Get a verification email" screen, click "Send me an email".
5. Check your email for the password reset link.
6. Follow the prompts to create and confirm your new password.

If you have questions about your account, contact your administrator. If you need assistance using the solution, contact Juvare Support.

Juvare Support Center

Email: support@juvare.com

Phone: 877-771-0911

10.4. Once password process is complete log into WAserv

10.5. On the WAserv Dashboard click the Washington State Emergency Registry of Volunteers app under My Apps.

10.6. In the upper right-hand corner of the dashboard click the circle with your initials

10.7. In the popup window click on your name

10.8. On the dashboard click the tabs and confirm your information is complete. The most important being the **PERSONAL INFO**, **OCCUPATIONS**, and **DEPLOYMENTS** tabs as the WAsafe Administration use this information for approving responders, issuing ID Badges, responder callouts, and responder communication. We recommend visiting this dashboard every six (6) months at minimum and when you have a change in information (ex: address, phone number, email, or employer).

10.8.1. OCCUPATIONS

10.8.1.1. Expand the occupation you selected during the initial registration process (Reference **Section 6 – OCCUPATIONS**). Select each + link to add your specific details as this option was not available during the initial registration process.

10.8.1.2. ADD PROFESSIONAL STATUS

10.8.1.2.1. Under **CURRENT PROFESSIONAL STATUS** from the drop-down menu select your current status (If you have multiple occupations listed do this for each).

The screenshot shows a form titled "Professional Status". At the top, there is a dropdown menu labeled "Status *" with the option "Not Checked" selected. Below this is a light blue informational banner with an information icon and the text "What is your current professional status for this occupation?". Underneath the banner is a dropdown menu labeled "Current professional status". A red arrow points to the left side of this dropdown menu, which is currently open, showing a list of options: "Active", "Inactive", "Retired", and "Student".

10.8.1.2.2. Click **SAVE** to continue.

This screenshot shows the same "Professional Status" form as the previous one, but with the "Current professional status" dropdown menu closed. At the bottom right of the form, there are two buttons: "CANCEL" and "SAVE". A red arrow points to the "SAVE" button, indicating the next step in the process.

10.8.1.3. ADD STATE LICENSE

The system requires some state licenses to contain eight digits (e.g. PE and SE). If yours does not, then add zeros to the beginning to create an eight-digit number. **NOTE:** If you are adding an ICC Certification and it does not have a number then you do not need to complete **ADD STATE LICENSE**. If you have licenses in multiple states repeat this process for each license.

10.8.1.3.1. Complete **ALL** sections **EXCEPT** License Type this is for medical professionals only.

10.8.1.3.2. Click **SAVE** to continue.

11. PHOTO FOR ID BADGE

At some trainings, proper photos will be taken. Otherwise, wait for the request from a WAsafe Coordinator or Administrator for your photo. The request will include required photo details.

11.1. You must provide one photo to complete your application. The photo should look similar to a passport or driver's license photo – see the following for photo reference:

11.1.1. Your head must face the camera directly with full face in view.

11.1.2. You must have a neutral facial expression or a natural smile, with both eyes open.

11.1.3. Taken in clothing normally worn on a daily basis

11.1.4. Taken in the last 6 months

11.1.5. Use a plain white or off-white background

11.1.6. In color

11.1.7. You cannot wear a hat or head covering unless for medical or religious purposes.

11.1.8. You cannot wear headphones or wireless hands-free devices.

11.2. PHOTO EXAMPLE:

Acceptable— Photo is clear and in color, reproduces skin tones accurately, and is properly exposed with no shadows.

12. WAsafe APPROVAL PROCESS

When you first enroll in the WAserv system, your status is PENDING. Your data will be reviewed and ACCEPTED by a WAsafe Administrator. A WAsafe Administrator will review the data you've entered, e.g., confirm your professional registration and/or review your ICC certification, if applicable. The WAsafe Administrator will enter your WAsafe training, or acceptable alternative training, data based on recent class rosters. The WAsafe Administrator will send the enrollee notification of acceptance or whether more information is needed to complete the review.

Organization	Status	Role	Actions
A2 - Structural Engineers Association of WA (SEAW)	Accepted	Base User	EDIT WITHDRAW
WABO Type 2	Pending		WITHDRAW

Please complete your WAsafe enrollment within 6 months. Enrollment data older than 6 months may be removed from the WAserv system. However, you are welcome to start a new WAsafe enrollment should this happen.

13. UPDATING WASAFE INFORMATION

13.1. PERSONAL INFO/OCCUPATIONS

We recommend responders visit their WAserv profile every six (6) months to update their contact information (phone/text numbers, email, address, employer, and professional licenses). See Section 10.8.

13.2. Change BSE Type and/or Organization

Contact your organization's WAsafe Administrator or use the [Contact Us](#) form on the WAsafe Coalition website to inform them of the change.

*Please **DO NOT** change the BSE Type yourself, because this type of change in the WAserv system requires a specific sequence of steps that are not obvious, and failure to follow this sequence can result in losing all the individual responder's data.*

EXAMPLE: You originally registered as a BSE Type 5 when you were an Engineer-in-Training. You recently passed the Professional Engineer's exam and registered as a Professional Engineer in your state. You are now eligible to be recognized as a BSE Type 1 or Type 2. Send a message that explains your new status. An Administrator will verify and update your BSE Type, notify you, and send you an updated WAsafe ID badge.
