

# Kelly Blaine – City of Burlington

## Instructor Ratings

## Past AEI Courses Instructed

**2024**

**Understanding the Complexities of UL 300 Fire Systems in Commercial Hoods (2 Day Course)**

*(Taught Alongside Al Jongsma)*

★★★★★ 5

Student Comments:

“Al & Kelly have so much knowledge and experience to share - so much good information to learn and use out in the field!”

“Class is hands on, good Q&A times, and instructors have the willingness to explain. Best class of the week!”

“The perfect combination of hands on & lecture.”

“Information was applicable to real life issues. Lots of 'tools' added to my 'tool box'.”

**The Complete Inspector** *(Taught Alongside Al Jongsma)*

★★★★☆ 4

Student Comments:

“The instructors were amazing! Very easy to listen to & made the class relatable.”

“This was great, one of the best classes I have attended. Very knowledgeable.”

“Instructors had experience, compassion, & wisdom. Very good food for thought.”

“Class does a good job covering the core philosophy of being an inspector.”

**2022**

**Understanding the Complexities of UL 300 Fire Systems in Commercial Hoods** *(Taught  
Alongside Al Jongsma)*

Student Comments:

“This was one of the best WABO classes I’ve taken. I learned a lot, and you managed to make the materials understandable and interesting.”

“This class is as good as it gets!”

“Fantastic instruction, very engaging, and relevant/applicable.”

“Excellent presentation! (Best of all my classes)”
