

Benjamin Enfield - Seattle Dept. of Construction & Inspections (SDCI)

Instructor Ratings

Past AEI Courses Instructed

2025

WAsafe Building Safety Evaluations (ATC 20/45 Plus) *(Taught Alongside Tim Blevins, Elanka Jarolimek, & Jon Siu)*

★★★★★ 4.5

Student Comments:

“I liked the interactive ‘polling’ and discussions that helped to maintain engagement.”

“A very effective mix of slideshow, media, and props. Interactive elements included Q&A as well as Red, Yellow, Green placard scenarios which kept the class involved.”

“Lots of field photos illustrating structural failures during natural disasters and time was spent illustrating the mechanisms.”

“Great photos and instructors provided good explanations and held good experience on the ground.”

2024

WAsafe Building Safety Evaluations (ATC 20/45 Plus) *(Taught Alongside Tim Blevins & Jon Siu)*

★★★★★ 4.5

Student Comments:

“The instructors for the class have excellent communication skills, strong classroom management, and was usefully informative!”

“There was diversity of presenters, a clean presentation, good diagrams, good information, and very clear learning objectives.”

“Very thorough & informative in the case of a natural disaster.”

“Very informative & excellent instruction. Lots of detail & comprehensive overview.”

2023

WAsafe: Building Safety Evaluations R Us *(Taught Alongside Paul Brallier & Tim Blevins)*

 4.5

2022

WAsafe: Building Safety Evaluations R Us *(Taught Alongside Erik Bishop & Tim Blevins)*

 4.5

Student Comments:

“Excellent knowledge and funny too! Class kept us entertained with the demonstrations.”

“Instructors knew the material well and made it interesting.”

“Good pictures and examples!”

“Benjamin was very knowledgeable and I appreciated the model Erik brought.”
