

Duane Lewellen – Evergreen Technology Consulting

Instructor Ratings

Past AEI Courses Instructed

2025

Connecting The Dots Between The Energy & Mechanical Codes *(Taught Alongside Lisa Rosenow)*

★★★★★ 4.5

Student Comments:

“Tied multiple codes together, showed how they apply, and showed things we should be asking that are code requirements.”

“Course kept up to date with changes in the energy codes and illustrated the variety of different elements of mechanical systems/components that apply with energy codes.”

“A comprehensive review of systems and their applications!”

“Knowledgeable presenters and good explanations of all elements of the class.”

2024

What Is This Thing? *(Taught Alongside Lisa Rosenow)*

★★★★★ 4.5

Student Comments:

“Provided a lot of in-depth information regarding how mechanical systems work with the evolving WSEC.”

“Class had useful discussions on how mechanical in the code relates to real world applications and terms.”

“Duane and Lisa have always been great; I enjoy hearing from them and their interpretations and also enjoyed the questions/ discussions with the group. The 'tests' are a great addition to the presentation and really help to reaffirm topics covered for each section.”

“Very informative. Duane is very knowledgeable and an excellent speaker.”

Multifamily Mash-Up – WSEC Commercial & Residential Comparison *(Taught Alongside Rick Blumenthal, Jonathan Jones, & Lisa Rosenow)*

Student Comments:

“I liked the different approaches & expertise of the instructors.”

“I liked the live interjections of residential vs. commercial and same subject comparison questions from attendees taught me a lot through instructor answers.”

“There were multiple speaker perspectives which provided a lot of information.”

“Nice information on continuous insulation, whole house ventilation, and energy credits.”

2023

Name That HVAC System *(Taught Alongside Lisa Rosenow)*

2021 WSEC Commercial – Key Changes and Tools to Navigate Them *(Taught Alongside Lisa Rosenow)*

2022

It's About the Journey – Navigating the 2018 WSEC Commercial Provisions *(Taught Alongside Lisa Rosenow)*

Student Comments:

“Flow diagrams were useful, providing even drafts and diagrams were appreciated!”

“Lisa and Duane are informative and great presenters.”
