

# Chris Seaman – City of Tacoma

## Instructor Ratings

## Past AEI Courses Instructed

### 2025

**Clearing The Air** (Including Panel: Chuck Murray (City of Bellevue), Travis Ripley (City of Bellevue), James Tumelson (City of Edgewood), Brian Thompson (AEGIS Engineering), Joseph Cervantes Sr. (Space Age Electronics), John Thomas (City of Seattle - SDCI))

★★★★★ 4.5

#### Student Comments:

“Great discussions regarding the pre-permit processes and emphasis on coordination between all parties.”

“This course had an excellent group of panelists who were able to provide a well-rounded coverage of information.”

“The input from several jurisdictions provided different ways to address smoke control systems for a jurisdiction.”

### 2024

**The Official Forum – Building Official and Fire Code Official Coordination** (Including Panel: Todd Short (Redmond FM), Andie Lorenz (Adams County BO & FM), Tom Maloney (Marysville FM), Jeromy Moore (Pullman BO), Gregg Schrader (Bellevue BO), Ardel Jala (Seattle BO), Pat Beaulieu (Seattle Chief Building inspector), and Ray Cockerham (Puyallup BO & FM))

★★★★★ 4.5

#### Student Comments:

“I appreciated the discussion and conversation style to learn from each other's jurisdictions. I also appreciate the diversity and spectrum of the represented jurisdictions.”

“The discussion format instead of lecture was nice. It was great to hear a variety of perspectives and from the different jurisdictions.”

“Wonderful diversity of panel representation in terms of AHJ size and type.”
