Legacy Scholarship Application Guidelines

Legacy Scholarships at WABO are designed to foster a strong community of building department professionals who contribute to the growth and improvement of the industry. We recognize the invaluable efforts of individuals within our organization who dedicate themselves to enhancing codes, educating the public, mentoring new professionals, and engaging with legislators and officials.

In order to nurture industry leaders, WABO is pleased to offer the Legacy Scholarship to individuals in their first five years as an active member of WABO. This scholarship focuses on supporting educational pursuits offered by WABO, such as our Annual Educational Institute (AEI).

To provide equitable assistance, the following structure has been established:

- For members currently employed and receiving partial funding from their employer, WABO will reimburse up to one-third of the training fee.
- For members currently employed without financial support from their employer, WABO will reimburse up to 100% of the training fee.
- The Legacy Scholarship may only be awarded one time for each successful candidate.

To apply for the scholarship, interested individuals must complete this Scholarship Application Form and submit it to the WABO Administration Office no later than the specified deadline. After careful review, all applicants will be notified of the committee's decision via email for any training reimbursement accordingly.

Please note that the availability of scholarships is subject to the funds allocated at the time of application. The awarded scholarship amount may be less than the maximum listed. We encourage all eligible individuals to apply for this scholarship as we look forward to supporting their educational endeavors for the betterment of our industry.

WASHINGTON ASSOCIATION OF BUILDING OFFICIALS
