

# The State of Washington

## Proclamation

**WHEREAS**, our state is committed to recognizing that our growth and strength depends on the safety and essential role our homes, buildings and infrastructure play, in everyday life and when disaster strikes; and

**WHEREAS**, these modern building codes include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods, and earthquakes; and

**WHEREAS**, our confidence in the resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians: building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry who work year-round to ensure the safe construction of buildings; and

**WHEREAS**, these guardians are dedicated members of the Washington Association of Building Officials and International Code Council, nonprofit organizations that bring together local, state, territorial, tribal and federal officials who are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, and play; and

**WHEREAS**, we join in support of this effort in association with the Washington Association of Building Officials and local chapters throughout the state; and

**WHEREAS**, Building Safety Month is sponsored by the Washington Association of Building Officials and International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety, our code officials, who assure us of safe, sustainable and affordable buildings that are essential to our prosperity; and

**WHEREAS**, each year, in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local, state, tribal, territorial, and federal building safety and fire prevention departments, in protecting lives and property; and

**WHEREAS**, "Game On!," the theme for Building Safety Month 2025, encourages us all to get involved and raise awareness about building safety on a personal, local and global scale;

**NOW, THEREFORE**, I, Bob Ferguson, governor of the state of Washington, do hereby proclaim May 2025 as

### ***Building Safety Month***

in Washington, and I urge all people in our state to join me in this special observance.
